SUCCESS! In Dental Hygiene

Synopsis

Part of Prentice Hall's SUCCESS! Series, this review book provides comprehensive information on all the unique needs to the dental hygienist. The SUCCESS! exam preparation system is a tremendous method for improving pass rates in many health professions from EMS to Dental Hygiene. We invite you to use our exam preparation system and ACHIEVE SUCCESS! Organized by key content areas, it combines authoritative information in an outline format with an exam-style question and answer review for the best preparation. Content in this book includes units on the scientific basis for Dental Hygiene; Provision of Clinical Dental Hygiene Services; and Community Health/Research Principles.

Customer Reviews

The thing I liked most about this book was that the quizzes had justification for their answers. I didn't give it 5 stars because there were mistakes, but from what I found they were minimal. I ordered this book late in the game for when I was taking my board exam so I didn't have time to go through all of it. If you are thinking of buying this book I recommend getting it early.

Preparing for board exams next month. My instructors kept telling me to get this book and I finally did. It's not complicated and its very helpful.

Great review book for NBDHE! Would only use this book, not Mosby.

The book I ordered came quickly and in perfect condition :) Very happy with the product and service.
