Customer Reviews

We picked this book up visiting the islands and our son absolutely loved it! We have made a bit of a tradition to search out for other BeachHouse Publishing books when visiting and so far he loves them all. Great books for night time reading while reminding us of all the island treasures.

This book teaches counting 1-10 in English and Hawaiian. Also teaches you how to make an awesome bowl of saimin! Ono!

I thought this was very cute and wanted my grandchild to have it. I love saimin and thought this was very accurate.
