Family-Style Meals At The Hali'imaile General Store

Synopsis

Family-style dining is back in style and has been reimagined by one of the most prominent chefs in Hawaii, James Beard Award-nominee Beverly Gannon. On the road to Haleakala, Maui's most famous dormant volcano, is one of the island's favorite destinations--where a laid-back atmosphere and top-flight menu welcome both residents and tourists. Developed from the restaurant's ever-popular repertoire, this all-new recipe collection is scaled for sit-down family suppers, lunches, and brunches, with built-in expandability for impromptu gatherings or full-on entertaining. Ingredient substitutions are included to help move dishes from the kitchen to the table with ease, and leftovers are skillfully adapted into future meals. Recipes are organized by the days of the week, based on a schedule Gannon's mother used, and are interwoven with charming family anecdotes.

We enjoyed our stop for snacks at the restaurant after a day of hiking the volcano, so we went back for lunch on our way to the airport. Thankfully, our favorite dish at the restaurant is in the cookbook. Ok, I know this sounds weird...but it's Brie and Grape Quesadilla with macadamia nut pesto and green pea guacamole. The flavors are nutty, creamy, green, tart, sweet and savory. Genius. My husband said my rendition was even better than the restaurant. I don't even like peas, but I thought it was good, too. We finished a batch with 2 cups of peas with dinner. It's a great vegetarian dish and it could even work for a party. I eat seafood/fish but my husband is vegetarian, so I'm not sure how many entrees I'll actually make. Some of the other recipes that sound interesting: Butternut

Squash Soup with Coconut & Ginger, Lemongrass Gazpacho, Warm Goat Cheese Tart, Cauliflower Soup, Huevos Rancheros, Shiitake Mushroom Bread pudding, and Truffle Macaroni and Cheese. The recipes have just a little Maui flair. There is a good variety. I just wish it had the famous crab pizza and Mai Tai. I don't think we'll go back to Maui for awhile (we like Kauai much better), but we can go back virtually with recipes from the General Store.

I have over 350 cookbooks, including more than 10 that are dedicated to Hawaiian Regional cuisine. Although many of the recipes have a Tex-Mex flavor, due to Bev's Texas roots, all that I have tried are flat-out wonderful. The recipes are easy to follow and require mostly readily available ingredients. This is a must-have cookbook. The short ribs w/ hoisin is awesome!

Just returned from Maui and once again had a wondful visit to the Hali'Maile General Store. I had the Spinach and Squid Salad....recipe in the new cook book and will definately make it. I wish we had been staying closer to have sampled more of Beverly Gannon's great cooking.

I love this book. I made the enchilada casserole for a pot luck and will say the instructions are easy to follow. The resulting casserole was a winner. The photography was so beautiful, too! I hope a third book is in the works.

I purchased this cookbook to pull Hawaiian recipes for a "gourmet" dinner coming up later in the year. I've already made two recipes for other occasions and both were terrific. Not only is this a beautiful cookbook, the recipes are easy to follow with explicit instructions and cooking/serving tips. We're headed to Maui in October and we're definitely going to the General Store for lunch or dinner - maybe more than once!

I have tried one recipe in this cookbook: the pineapple upside down cake. The first time I made it I thought I'd measured something wrong. Same result the second time! I called the Hali'imaile General Store restaurant and asked if the cooking temperature was incorrect. They said it was actually the flour measurement. Off by 2 cups. Tried it a third time with the correct flour measure and it's still a soupy gunk! Oven temperature is also definitely wrong!! As far as I'm concerned, every other recipe in this book is suspect.

have dined at "the Store" and this book is simply a wonderful collection of recipeis and other

information. By the way, "The Store" has the GREATEST MAI TAI EVER--GO TRY IT.

This is one of our favorite restaurants on Maui and this cookbook does not disappoint. The chili, pineapple upside down cake and the butternut squash soup are all terrific!
