This is a very enjoyable book. I love the books written by Jane Watson Hopping. She tells stories about her family in days gone by and talks about recipe.All the recipes I have tried are good. I buy her cookbooks mostly because I love reading them.

this was very well written with emotion and feeling for the person before them that used the recipes also the poetry and prose in between the pages was wonderful very good read

This is just a good cookbook with old recipes that are just as new and interesting as when they were created.

I LOVE READING ABOUT THE DAYS OF YESTERDAY AND THEIR SIMPLE WAY OF LIFE...HOME COOKED FOOD AND FAMILY.

This book is nice but not invaluable.
