Brilliant Biscuits: Fun-to-decorate Biscuits For All Occasions

Synopsis

From bespoke biscuit-maker Pamela Giles comes this inspiring guide to making and decorating biscuits, packed with original design ideas and colourful decorating tips plus biscuit basics, such as equipment essentials and how to build and store a cutter collection. Giles shares her professional know-how on storing dough, rolling it out, cutting out shapes, baking and storing biscuits, as well as icing essentials, such as how to store icing or colour royal icing. Accessibly arranged in user-friendly themed sections, for all levels of expertise - from those who enjoy baking but have never decorated biscuits to anyone looking to refine their skills. Featuring all special celebrations, from birthdays to weddings and Christmas, including thank-you gifts and how to involve children in the fun. Beautifully illustrated with Pamela Giles's own photos, there's something for everyone, whatever the celebration.

Customer Reviews

Sometimes the simplest ideas make the best things and this book may be no exception to the rule. Put simply, this book is a treasure trove of ideas about how to decorate biscuits (or cookies as they are known in the United States). The book includes all the advice you may need to get up and going, although many more-experienced cooks might skip the guide to baking biscuits and go straight to the designs. After a brief overview about decorating equipment and icing, it is time to roll up your sleeves and get creative. The designs are split into collections and here the author's creativity begins to shine. Designs such as Australian, a vintage tea party, a visit from the stork or Dad's toolkit manage to provide fresh, inspiring and yet rather simple transformations to the humble biscuit

that will brighten up every possible occasion. And what is more, even if you tire of the various designs you will be inspired to make your own variation on a theme too. Throughout the book various hints and tips appear to further help you fine tune your art, so skip through pages at your peril. You could while away a long time just looking at the wonderful photographs too. Just don't look at this book if you are on a diet. Or, come to think of it, with your child by your side or they will soon make a VERY long list of biscuits that they would like... and children seem to never forget! There's nothing more to say. A great book at a competitive price which fills a niche with aplomb. When is the next volume coming out?
