Customer Reviews

I was excited to hear that Ms. Shanahan had a new book release. I have had the pleasure to read and review her two former works, "There Is Eternal Life For Animals," and "Animal Prayer Guide," and I was truly the one who was blessed. As I settled down to read her new work, I knew this too would be a blessing to me, and everyone who was fortunate to read this work, and I was not disappointed. In her new book, "The Rainbow Bridge: Pet Loss Is Heaven's Gain," our author again takes us through Biblical proof that our beloved pets are indeed waiting for us on the other side. As always, her research is concise and conclusive and leaves you with the reassurance that God truly

is taking care of our beloved pets. However, she goes into some new veins in this work such as sharing how pets were companions throughout history. I found this information to be so interesting that I reread it several times. And I absolutely loved chapter three, "Encouraging and Miraculous Stories." These stories warmed my heart and uplifted me for days. Wonderful. She goes on in Chapter Four to discuss what the Bible says about life after death, Chapter Five deals with overcoming depression and she gives you some helpful advice and aids to implement to help lessen the blow of your loss, and in Chapter 6 she encourages us to look to the future. It is a great feeling and brings much comfort to know that your pet is being well taken care of and is eagerly awaiting the reuniting with you. And her final chapter is given to a Memorial Service that you can hold for your pet, allowing you a way of closure for your loss, and respect to the pet you love. I would like to state that as far as this reviewer is concerned, I strongly feel that Ms.
