## Customer Reviews

I really love the Gooseberry Patch Cookbooks. There are recipes I actually will make. There are recipes from folks just like you and me that are time and tested by their families with ingredients you probably have in your home. Imagine that. They are not complicated recipes. Nothing is more frustrating than to spend your hard earned money on something you won't use. Some recipes I liked are the Taco Peppers, Ham & Corn Chowder, Slow Cook Pork Chop Dinner, Butterscotch Cherry Cookies, Poppy Seed Cake, and Creamy Cranberry Salald. There is something for everyone.

This cookbook is just packed full of the comforting memorable recipes that surround 'Autumn'. I bought it for the pumpkin pancake recipe and have now checked out every page and have many yum yum recipes that I will be trying out starting now and especially as those leaves start to fall. I love that Gooseberry has that nice wide spiral binding so the books stay open.

Love this series of cookbooks! This one has a wide variety of recipes from appetizers to soups and quick meals. These cooks know what we need! Quick simple good to eat meals for a busy family!

I love the Gooseberry Patch cookbooks and have several that I use year round. Delicious, easy to follow recipes and cute stories throughout the book along with some artwork to make it complete. The fact that they are in Delaware, OH (and I live in Columbus, OH) makes these cookbooks all the better to have. My favorite cookbooks of theirs are the seasonal and holiday cookbooks. There is just something wonderful about Autumn, Halloween, Thanksgiving, Christmas and Winter that makes cooking and baking so much better. Be warned: if you purchase this one you will want to purchase many, many more! They are amazing!

I have been cooking out of Autumn in a Jiffy for a month, and I love it! The recipes are easy to make, and can be customized to fit your family. This cookbook has everything from breakfast to dessert, in great fall flavors that really help you enjoy this time of year.

I am a huge fan of Gooseberry Patch cookbooks. There are many recipes that I'm anxious to try, however I was a little disappointed in this cookbook. Several of the recipes were so simple to be included in any cookbook except a true beginners.

It was a gift for my daughter who LOVES Gooseberry, and she loves the book! She started cooking

almost right away when she received the book! Everything is so GOOD! A person cannot go wrong when you purchase a Gooseberry cookbook!

I really wish I could give this book more than 5 stars! Autumn is my FAVORITE time of year so naturally I had to have this!!!! There are so many wonderful looking and EASY recipes in this book! Gooseberry Patch cookbooks are a favorite of mine and I am looking forward to more!!!!!! Do yourself a favor and buy this now!
