Brennan's New Orleans Cookbook...and The Story Of The Fabulous New Orleans Restaurant [The Original Classic Recipes]

Synopsis

One of America's greatest restaurants, Brennan's in New Orleans is known worldwide as a home of fine cuisine. "Breakfast at Brennan's" is a longstanding tradition among sophisticated visitors to the city. This collection of the Brennan family's distinctive Creole recipes was first issued in 1961 and has remained a favorite ever since. Author and columnist Hermann B. Deutsch recounts the fascinating story of the Brennan clan, telling how a family of poor Irish immigrants rose to become the premier restaurateurs in New Orleans. Numerous photographs and drawings illustrate the history of the family and their restaurant. The more than 150 recipes in the book include such time-honored Brennan's favorites as Bananas Foster, Trout Amandine, Pompano en Papillote, and Eggs Benedict. With more than 155,000 copies in print, Brennan's New Orleans Cookbook is a classic compendium of superb food from one of the nation's finest restaurants.

The Brennan's New Orleans Cookbook is a great, classic New Orleans cookbook. (Note: I was born in NO, live in South Louisiana, and lived in NO for 5 years.) Try the recipes for Stuffed Bell Peppers, Stuffed Mirletons (use shrimp instead of crabmeat), Red Beans, Redfish Courtboullion, and Creole Jambalaya. One day I'm going to start on Page 1 and cook everything in this book!

This is a great cookbook by an iconic New Orleans restaurant (and court embattled) family. I was surprised how close the recipes were like my own (I am a New Orleanian). Unfortunately, Brennan's

is closed temporarily due to family infighting.. So if ya' want to eat at Brennan's, ya' gotta' buy this book and do it yourself.

This book has all of our favorite Brennan's recipes. Whenever we get a hankering for the old city, we just pull out this cookbook and whip something up. All of the recipes are easy to follow with minimalist ingredients. You'll love it!

I absolutely Love it. I started pouring over as soon as I could. It reads like I there in New Orleans!! Start with the history of Brennans first.

This is the story of this famous New Orleans restaurant as well as a cookbook. Good story and I look forward to cooking from the recipes.

Covers lots of famous recipes from the brennan family. I tried some and they works great. Hope you like high calorie food.

A must for any kitchen. We have really enjoyed the recipes and have purchased this book for house warming gifts.
