# Jorid Linvik's Big Book Of Knitted Mittens: 45 Distinctive Scandinavian Patterns

Synopsis

You can never have too many mittensâ"but with 45 unique and creative patterns to choose from, you might get pretty close! Jorid Linvik's Big Book of Knitted Mittens includes dozens of patterns in multiple sizes, for children and adultsâ"for the romantic and the traditionalist, the cat lover and the rock star. The designs are thoroughly explained with clear diagrams and full-color photos, so even those without much knitting experience will be able to try their hands at making their own beautiful knitted mittens. Jorid Linvik also shares all kinds of handy tips on mitten knitting, as well as guidance when it comes to choosing needles and yarn—plus inspiration and encouragement to create new patterns of your own!

Customer Reviews

I haven't knit any of the patterns yet (I just received the book last week), but I love the patterns included and know friends and family will enjoy receiving these knitted mittens as gifts! Most of the designs are animal-inspired and are definitely not the standard geometric repeating designs that many Scandinavian books offer, so if you're looking for an uber-traditional book of patterns this probably isn't the book for you. For me, though, I really appreciate these designs, and based on the number of requests I've already gotten from friends and family, these patterns will be a hit for any recipient.I'll update this review once I've knit a few of the designs and can weigh in on errata, clarity of patterns, etc.

This is a wonderful book. It has a great section at the beginning on knitting mittens. Then there are the wonderful mitten patterns. Then at the end, there is a section about designing your own mittens.

I highly recommend this book, whether you are an experienced mitten knitter or just starting out.
