Customer Reviews

I wanted to get some ideas to cross stitch on a baby bib. There were quite a variety of pictures, but also in varying sizes. I needed some smaller patterns to fit onto the 3 inch panel on the bib. I was quite pleased that there were a number for that size to choose from.

So the book had many designs. I loved it and have used several patterns from it. I will continue to use it for my many projects.

Excellent!

Loved the patterns and have purchased other books in the series.
