Papercuts And Plenty (Baltimore Beauties And Beyond: Studies In Classic Album Quilt Applique, Vol. 3)

Synopsis

Easy to learn, the techniques behind papercut albums (using single-layer appliques) are clearly demonstrated in this book, which also deals with the lush depictions of fruit that characterize many of Baltimore's antebellum albums.

I love all of Elli's books and I was so happy to find this out of print one. The patterns are traced onto folded freezer paper and cut like snowflakes. I like to iron the freezer paper onto the applique fabric and trace around it. Then I layer the applique and background fabrics and baste together. The book came very quickly and in excellent condition.

After having seen the display at FACES museum in Denton, MD (Fiber Arts Center of Eastern Shore), I knew I had to own this book! It is just a part of Elly's many faceted art forms. I have acquired most of her books and I have attended several of her classes in Lewes, Delaware and Williamsburg, Virginia. All of her books expound on her teachings and I enjoy the easiness of following her instructions. Elly is quite poetic and I enjoy her interspersing of sayings and poetry that accompany many of her pages. Marlyne Clarke

This book gives you step-by-step ways to create paper patterns used in applique quilting. It also helps you learn how to make your own personal patterns. It is the same method to learn Hawaiian

pattern Quilting. I highly recommend it if you're interested in appliqué Quilting.

yes ,it is what you feel when you enter in this book , an another country where you can create beautiful block with elly 's help,a very good purchase at any price !!
