New Boston Globe Cookbook: More Than 200 Classic New England Recipes, From Clam Chowder To Pumpkin Pie

Synopsis

The classic cookbook, now fully updated and revised. With The New Boston Globe Cookbook, the beloved Boston Globe Cookbook— which was first published in 1948 and has sold almost 100,000 copies in Globe Pequot Press editions since the 1980s— comes back to life in all its glory, now also reflecting the flavors of the twenty-first-century city. Revised and updated by Boston Globe food editor Sheryl Julian, it features full-color photographs and the addition of ethnic recipes—Greek, Middle Eastern, Asian, and more— as well as new twists on old New England favorites. New recipes come from the cooks who have written for the Boston Globe's food pages in recent years, while staples from earlier editions still remain; and recipe adjustments have been made that reduce fat, leavening agents, and flour. A new introduction looks back at the history of this renowned title as well as the exciting changes that reflect the way we eat today. The recipes range from baked bean dishes and simmered meats and vegetables to Brazilian breakfast eggs and Vietnamese pot-fried rice.

Book Information

Hardcover: 336 pages

Publisher: Globe Pequot Press; Fifth Edition edition (September 1, 2009)

Language: English

ISBN-10: 0762749881

ISBN-13: 978-0762749881

Best Sellers Rank: #494,813 in Books (See Top 100 in Books) #77 in Books > Cookbooks, Food & Wine > Regional & International > U.S. Regional > New England

Customer Reviews

This cookbook has the best recipe for lemon curd! Overall the recipes are wonderful and straight forward. For the most part, the book contains helpful pictures. The cooking directions are extremely clear. I love the way the book is organized and the how each recipe is formatted. Though I love many of the recipes, I'm not sure how "Classic New England" they really are. I grew up in New England and expected to see more recipes that use local ingredients. I'm not sure what makes certain recipes "New England classics;" but, items like macaroons; layered franks, sauerkraut, and potatoes; pulled chicken sandwiches; roast turkey with gravy... do not seem to be purely New

England. I'm not sure what recipes I expected, but I definitely wouldn't put this book in the same category as The New England Cookbook: 350 Recipes from Town and Country, Land and Sea, Hearth and Home (America Cooks), which contains more of the old New England staples. In conclusion, The New Boston Globe Cookbook: More than 200 Classic New England Recipes, From Clam Chowder to Pumpkin Pie contains great recipes that are clear and easy to follow. That said, they don't seem like genuine New England recipes. If you do buy this book you must make the lemon curd. For New Hampshire cookbooks consider: New Hampshire: From Farm to Kitchen and/or Gadabouts Cookbook and Travel Guide: Woodstock, Quechee, Killington, Hanover, New London

Love this cookbook. Found some recipes that I have been looking for eg. Jordan Marsh blueberry muffins. I have purchased 2 additional copies to give as part of a wedding shower gift later this year. You will not be disappointed.

This replaced my old one that was falling apart. Love my hometown recipes!

Another good cookbook for anyone who like New England cooking and then some. You will love all the recipes in this new book! Recommend for all!!

Well worth the purchase price!!!

Great recipes! The book was a gift and enjoyed completely by the recipients. I would purchase this book in the future.

Good classic recipes. Very nicely done. It's the cookbook I have given as a gift as the quintessential current Boston cookbook.
