Like most people I had no idea what Menier's is. It's when you have episodes of vertigo or dizziness due to problems your inner ear. The Mayo Clinic says the causes are pretty much unknown, however there are a variety of treatments that seem to work. One treatment that seems to be effective is a low salt diet. The 10 Low Salt Cooking Tips are fantastic. I don't have Menier's, however I do have high blood pressure, and we know that low salt is good for keeping blood pressure in check too. When I get home from work, the first thing I do is open up a bag of salty chips and start scarfing away with a salty dip, cheesy, or salsa, or hummus. Then I stand there not knowing what to make for dinner. I don't have ideas, and this book solved that problem for me. I keep it on my Kindle and on my Kindle Fire. I just prop it up in the kitchen and scroll through the table of contents and I know what I want to make for dinner. Menier Man in the Kitchen 2 is loaded with recipes that are easy and fast. I'm not an expert in the kitchen and I don't have a lot of time to

cook. The book covers meals, side dishes, snacks and desserts. Menier Man In The Kitchen 2 has about 200 salt free or friendly recipes and techniques. And all of them are so easy that I would recommend this book to ANYONE who is out on their own for the first time. If you are a young person you'll want to know at least the basics of how to make pancakes or French Toast, tomato pasta sauce or soups, hash brown potatoes, basic types of salads, etc. Although you can buy these pre-packaged, this book shows you how to save money and eat healthier.
